ENTER LAUGHING

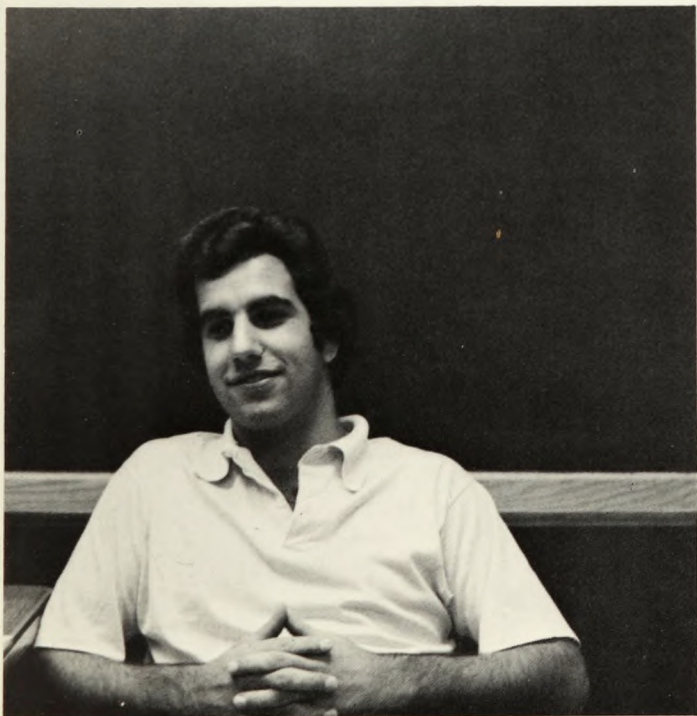

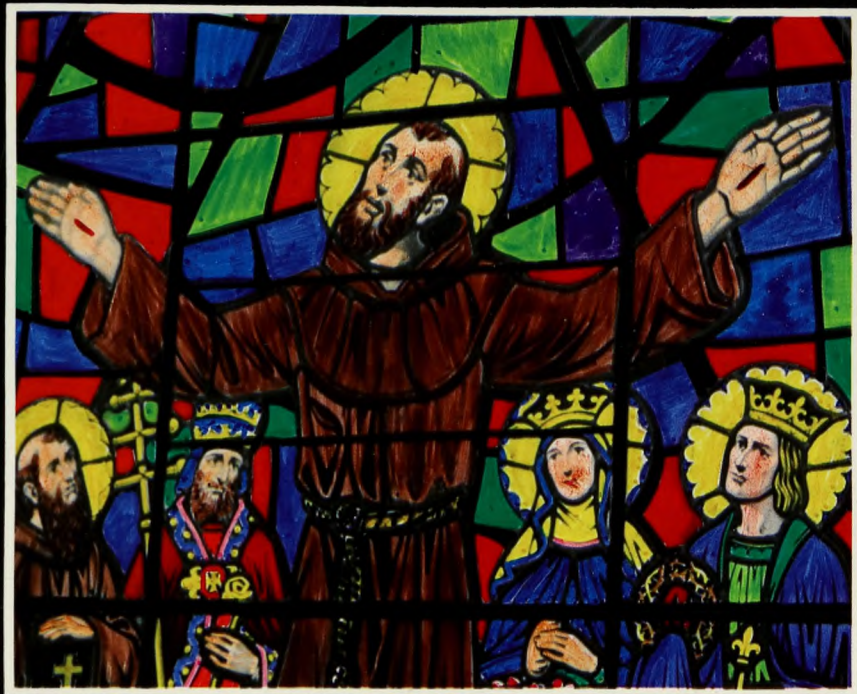

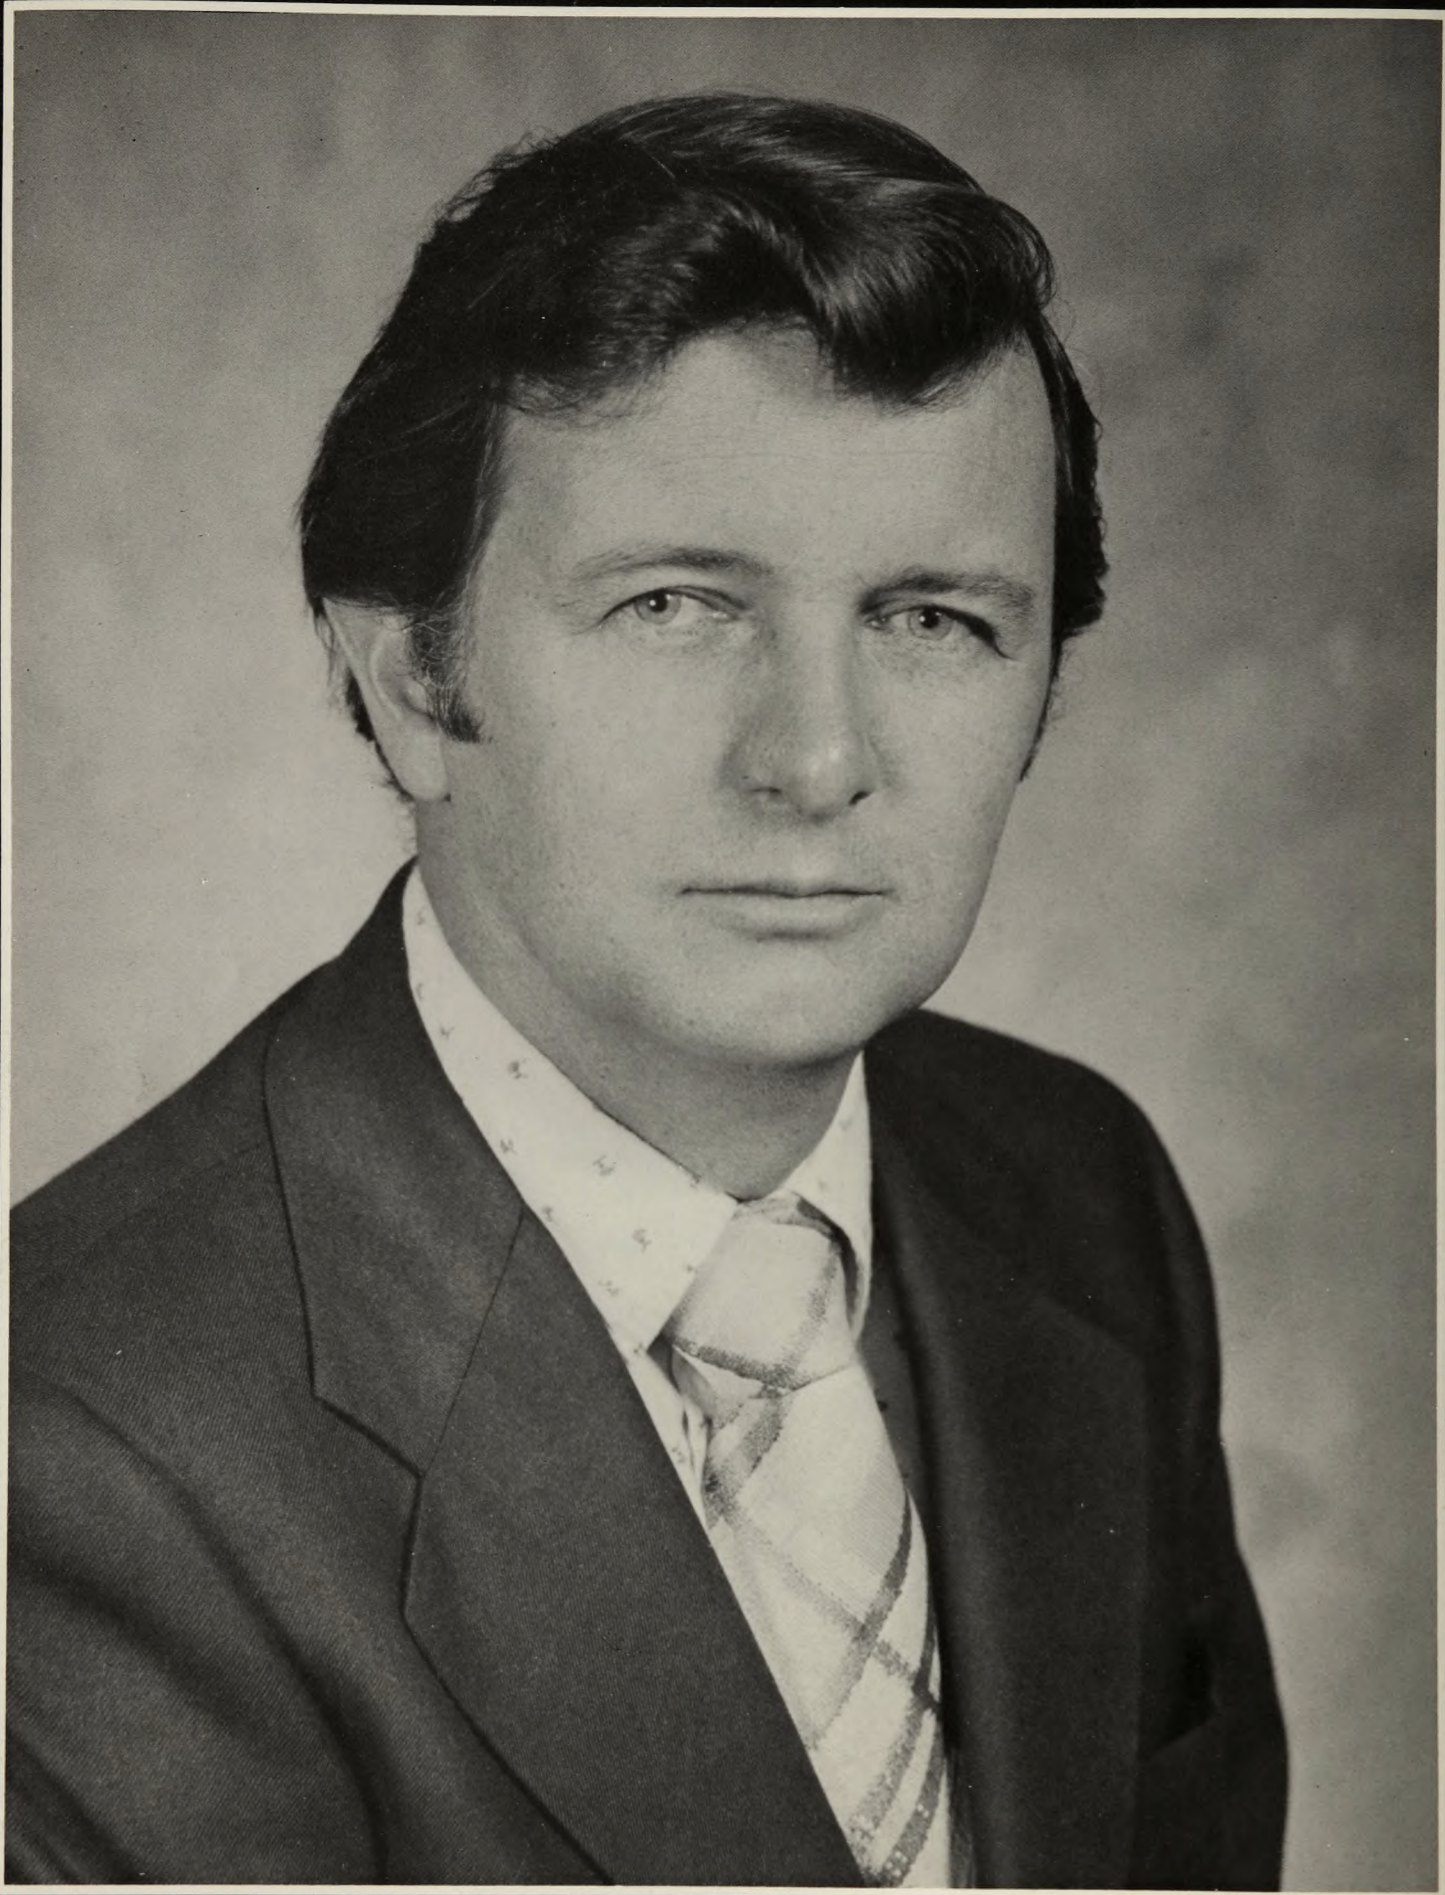

JOHN CLIFFORD
1931 - 1977

What manner of man, this John Clifford? Teacher, confidant, Director, Dean, and more than all these, a friend.

Never too busy to listen, never too sophisticated to laugh at an old joke. It was one of his favorite things - laughter. He liked people and was optimistic about the good in everyone. And in many ways the most Christian man ever to have touched our lives.

Those who knew him are fortunate because he will live forever in their memories and hearts. Those who never had the opportunity of meeting him may have been affected by him, nonetheless. His love of fair play and sense of justice caused him to fight for student rights and he wasn't afraid of "rocking the boat". All of us benefited just by his being here.

He was magic in the Theatre and his instincts about what was good entertainment and what was not, were infallible. He could pull together a group of people of differing temperments whose only common denominator was their regard for John Clifford. This is what made him such a good Director, Dean, moderator of 4 clubs and caused everyone who worked with him to love him.

With his death, a void was left in many lives.
And a little more light went out of the world.

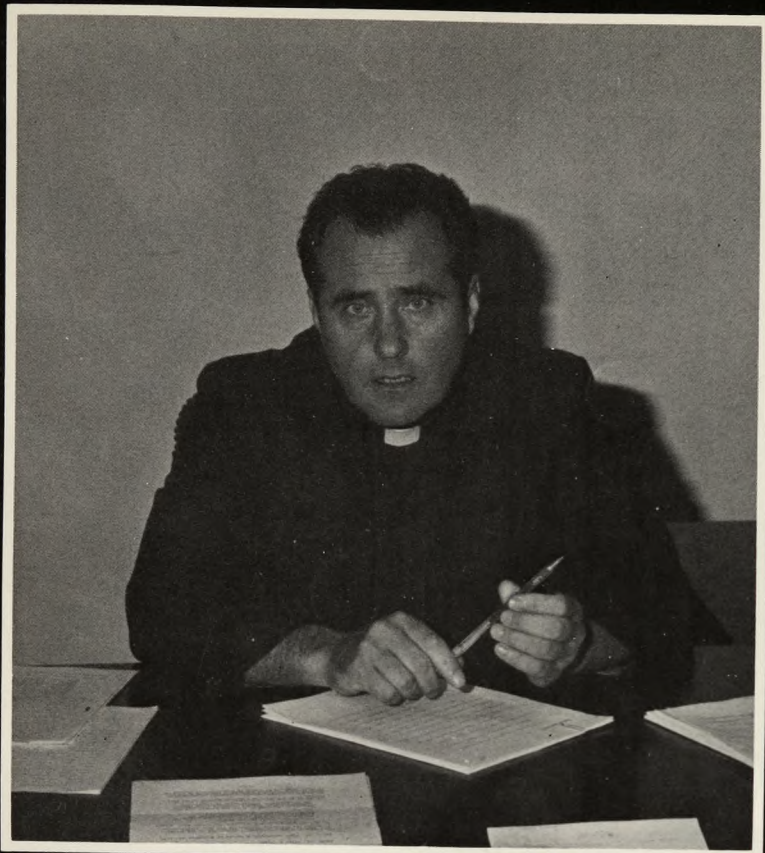

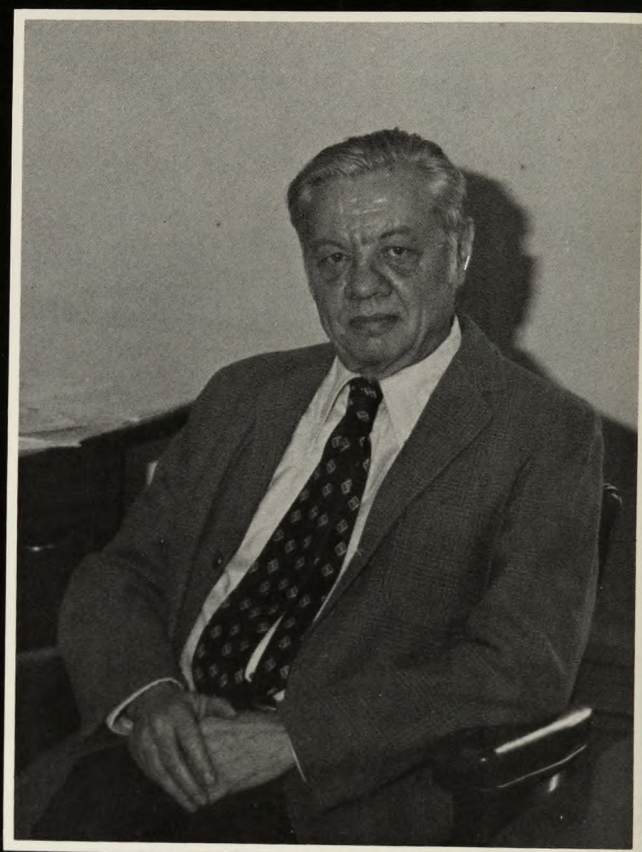

FACULTY &

A high-contrast, black and white portrait of a man, likely a professional or administrator. He is wearing a dark suit jacket, a white shirt, and a dark bow tie. He has dark-rimmed glasses and is looking directly at the camera. The image is heavily stylized, with deep blacks and bright whites, giving it a graphic, almost stencil-like appearance. The word "ADMINISTRATION" is overlaid in a bold, sans-serif font across the middle of the image, partially obscuring the man's face and bow tie.

Again the St. Francis College Student Government has managed to bring interesting, enjoyable events to the students. Magicians, musicians, the regularly scheduled mixers, the Soph-Frosh Ball and the Senior Prom are among these. An idea sparked in the Senate and now the wheels are in motion for possibilities of having a Rat Scellar in the near future. This past year the Student Government revised The Cord for the betterment of the student body.

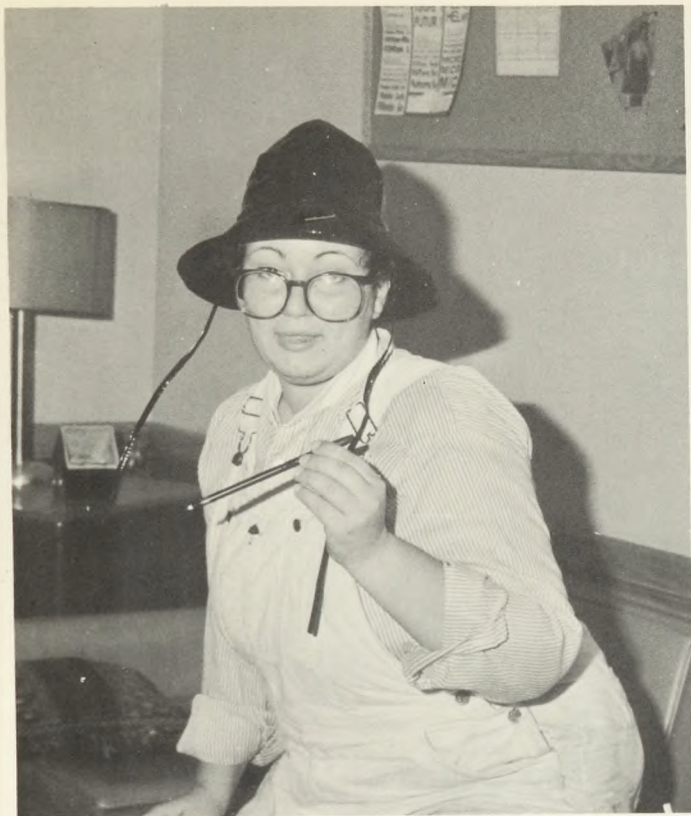

The aim of the Student Government is to strive for a better St. Francis College, never forgetting that the student is a member of the college community and the one most intensely affected by the actions of the institution.

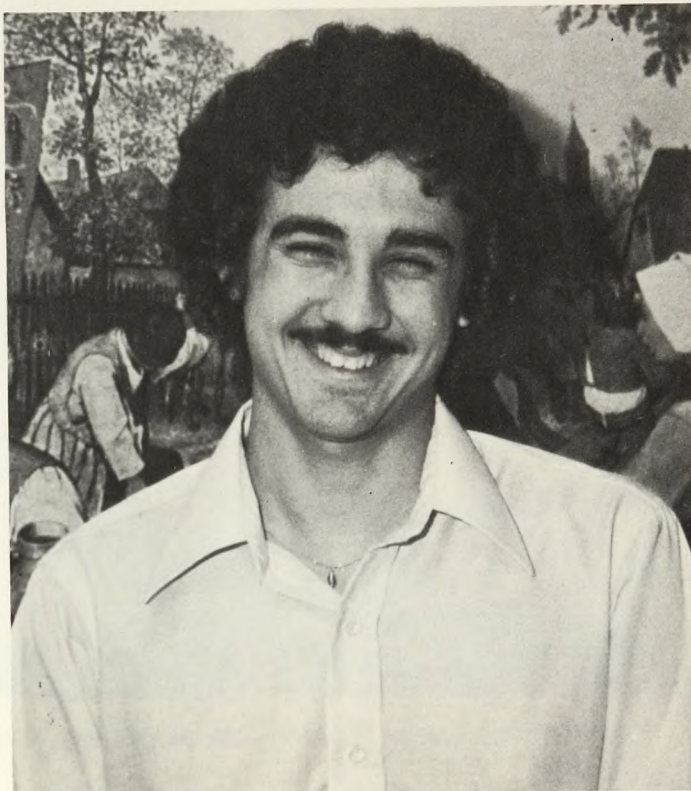

"Tell me Miss Tucker, is it true that you are having relations with President Frattini?"

STUDENT LIFE

John Grzanka

Yvonne DeShield

Then Almitra spoke, saying, We would ask now of Death.

And he said:

You would know the secret of death.

But how shall you find it unless you seek it in the heart of life?

The owl whose night-bound eyes are blind unto the day cannot unveil the mystery of light.

If you would indeed behold the spirit of death, open your heart wide unto the body of life.

For life and death are one, even as the river and the sea are one.

In the depth of your hopes and desires lies your silent knowledge of the beyond;
And like seeds dreaming beneath the snow and your heart dreams of spring.

Trust the dreams, for in them is hidden the gate to eternity.

Your fear of death is but the trembling of the shepherd when he stands before the king

whose hand is to be laid upon him in honour.

Is the shepherd not joyful beneath his trembling, that he shall wear the mark of the king?

Yet is he not more mindful of his trembling?

For what is it to die but to stand naked in the wind and to melt into the sun?

And what is it to cease breathing, but to free the breath from its restless tides, that it may rise and expand and seek God unencumbered?

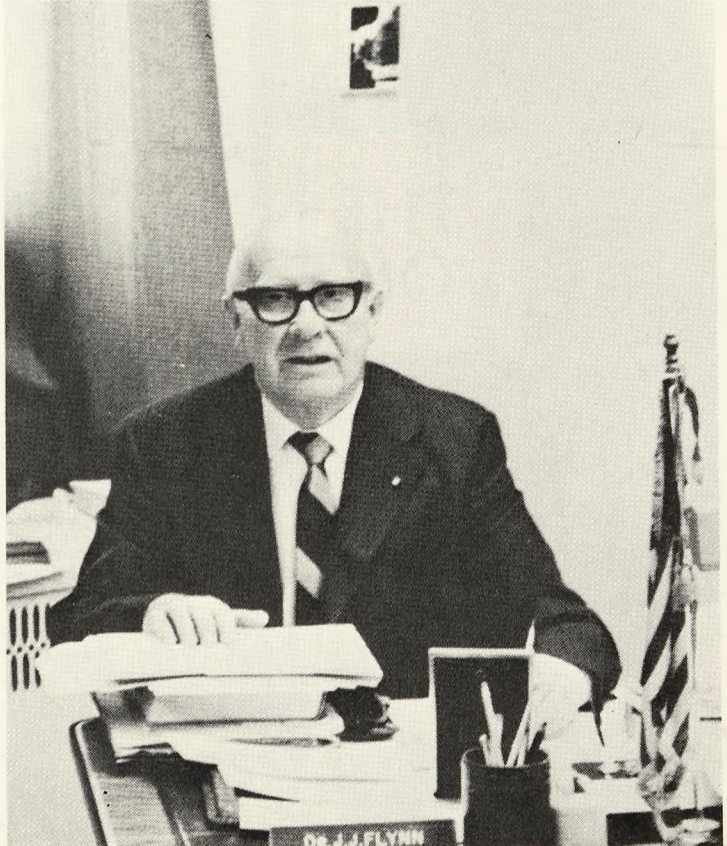

Only when you drink from the river of silence shall you indeed sing.

And when you have reached the mountain top, then you shall begin to climb.

And when the earth shall claim your limbs, then shall you truly dance.

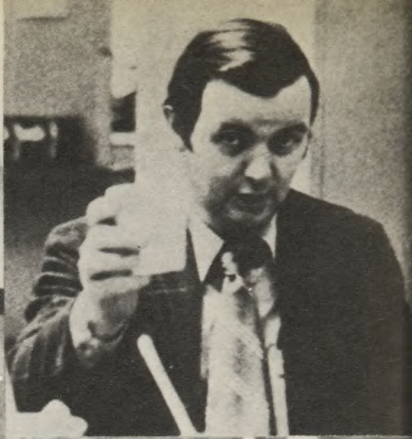

Kenneth Clennan

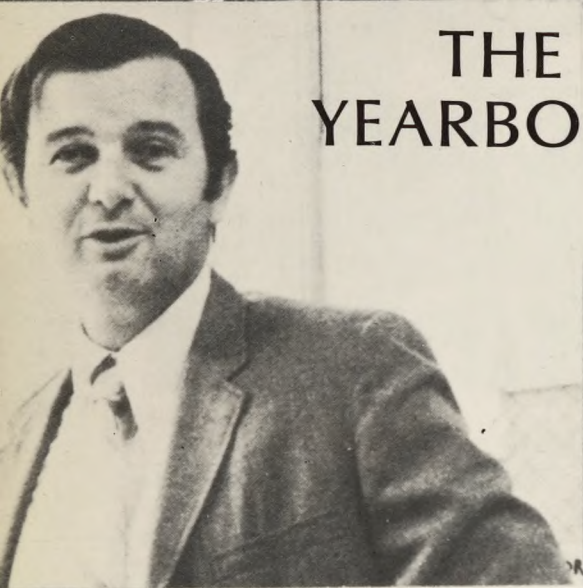

Dr. James Flynn

THE VOICE

STUDENT GOVERNMENT

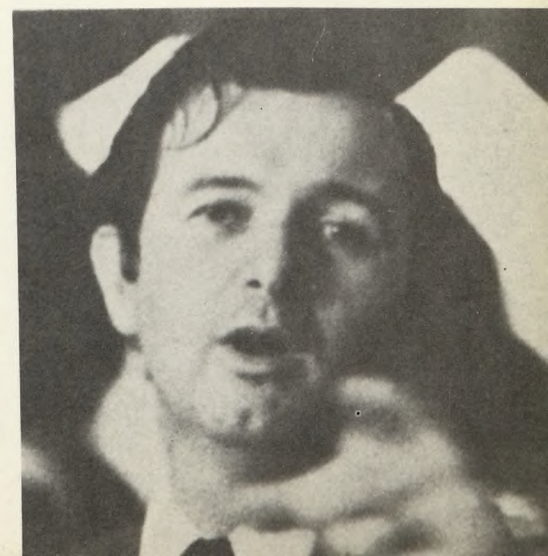

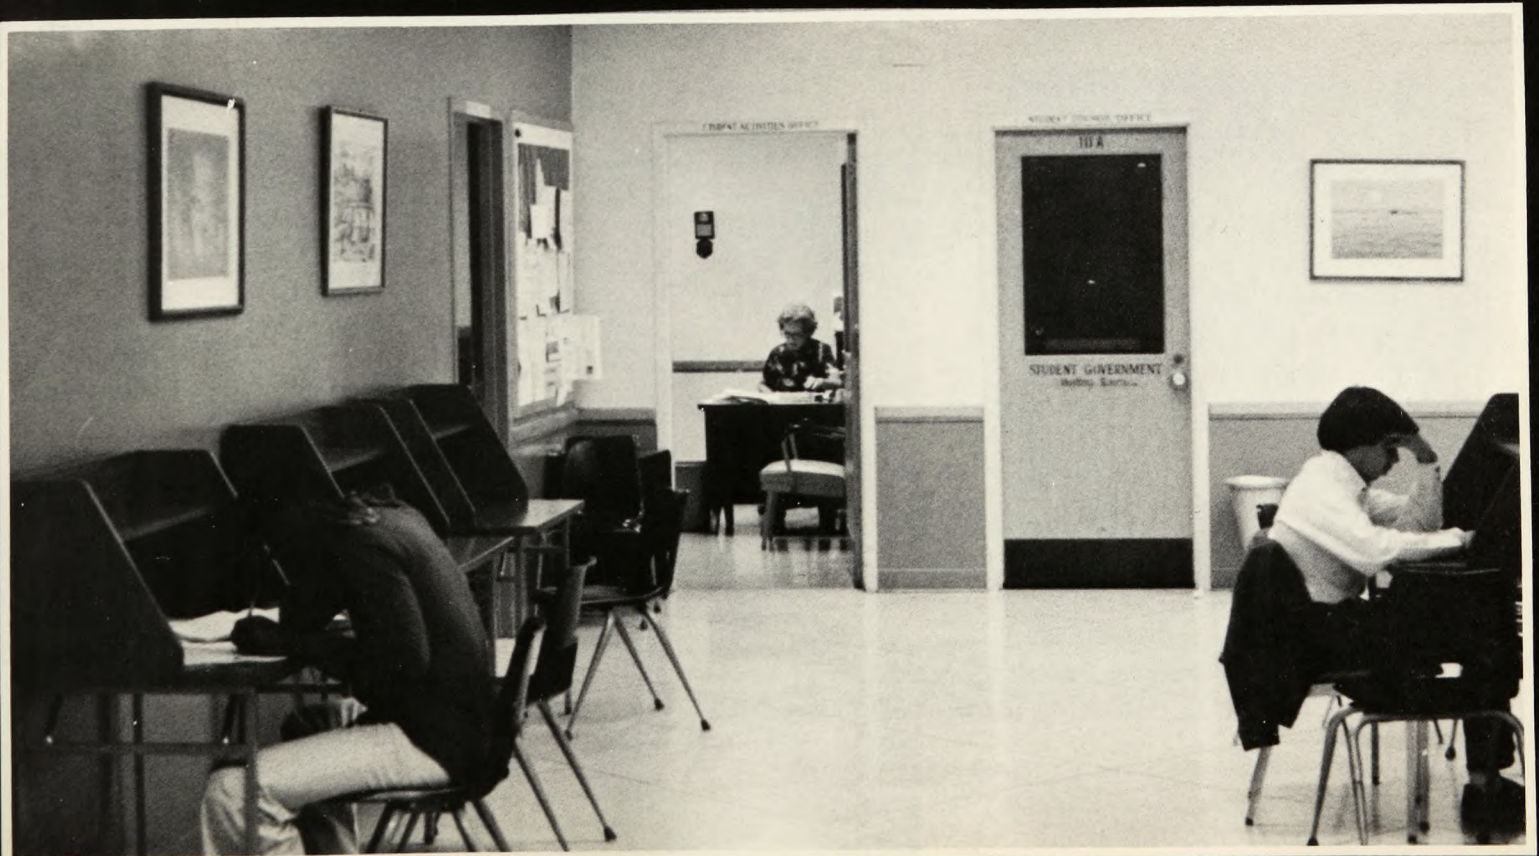

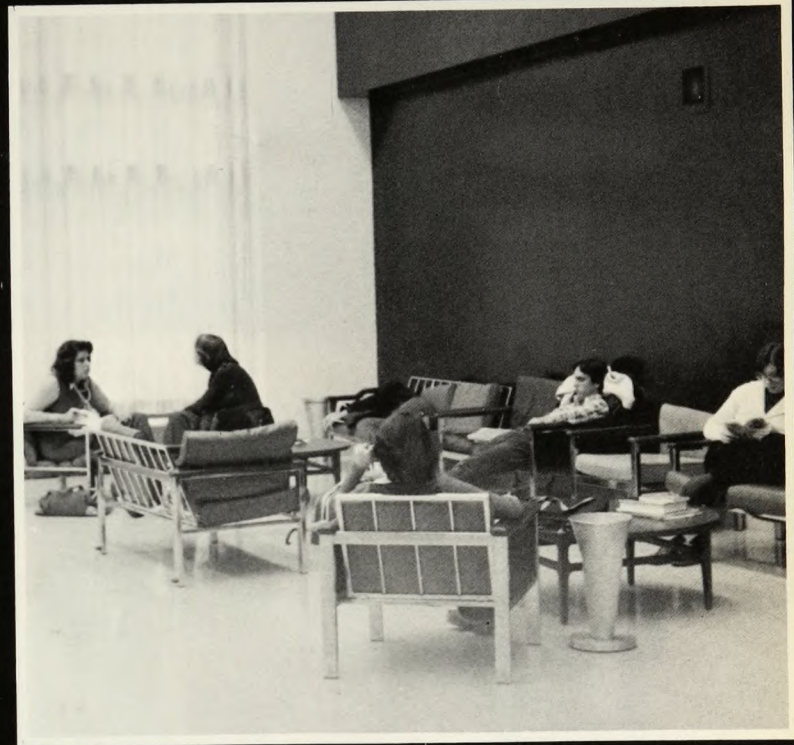

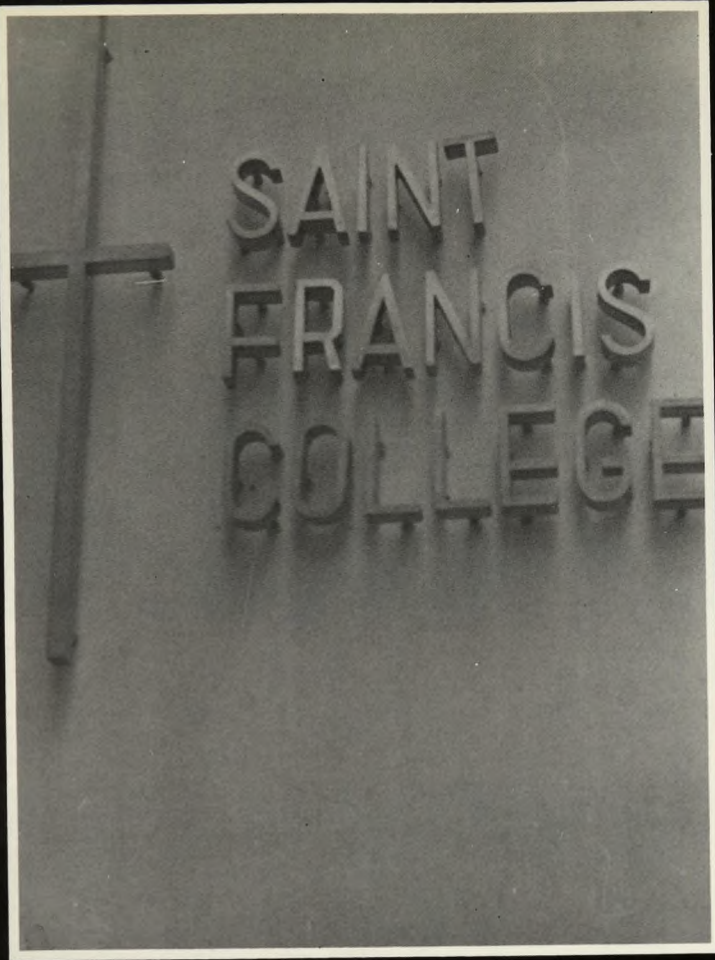

Let Me

Let me care for,
let me guide you,
Through the storm
and through the night.
Let me share my
life beside you
To the everlasting light.
Let me know your
cares and sorrows,
I will make them
joy and love.
Let me brighten
your tomorrows
With the stars
that shine above.

John Clifford
1931-1977

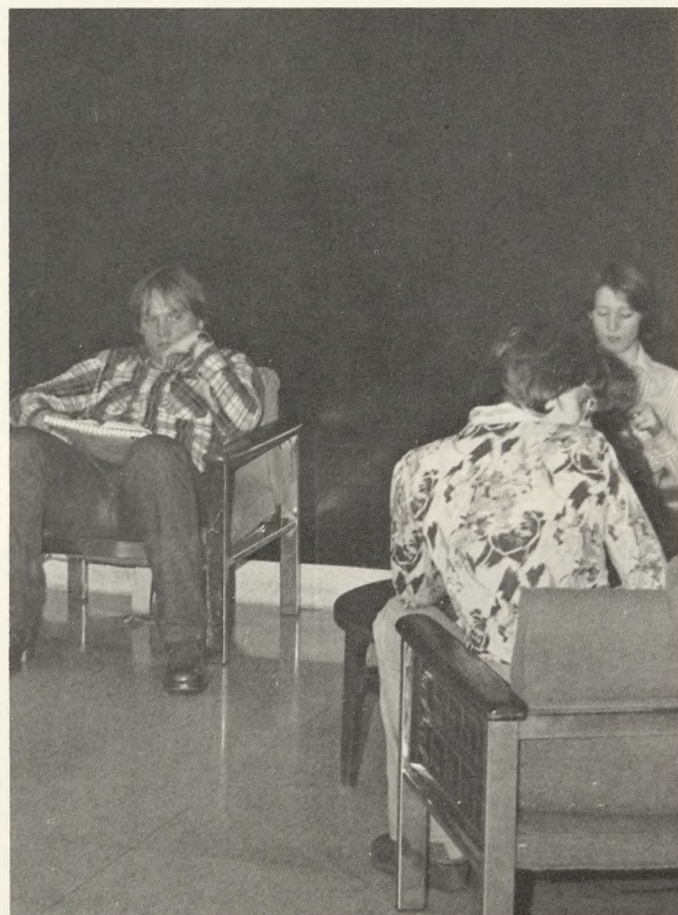

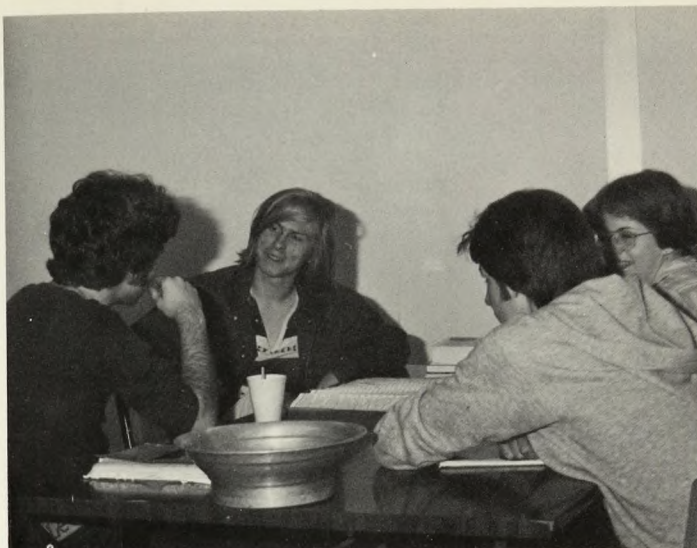

"I've always been attracted to men with hats and oily hair."

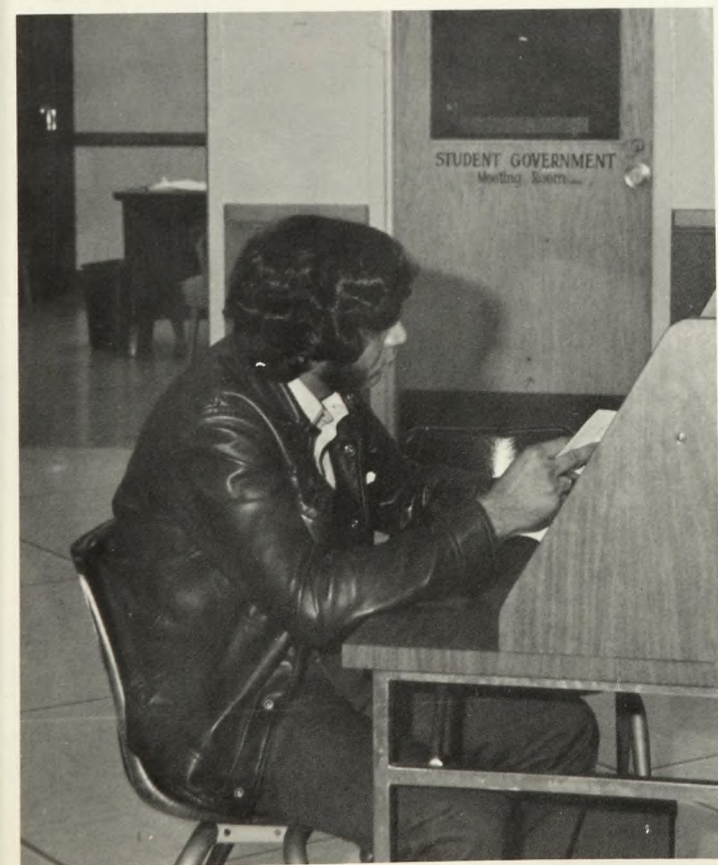

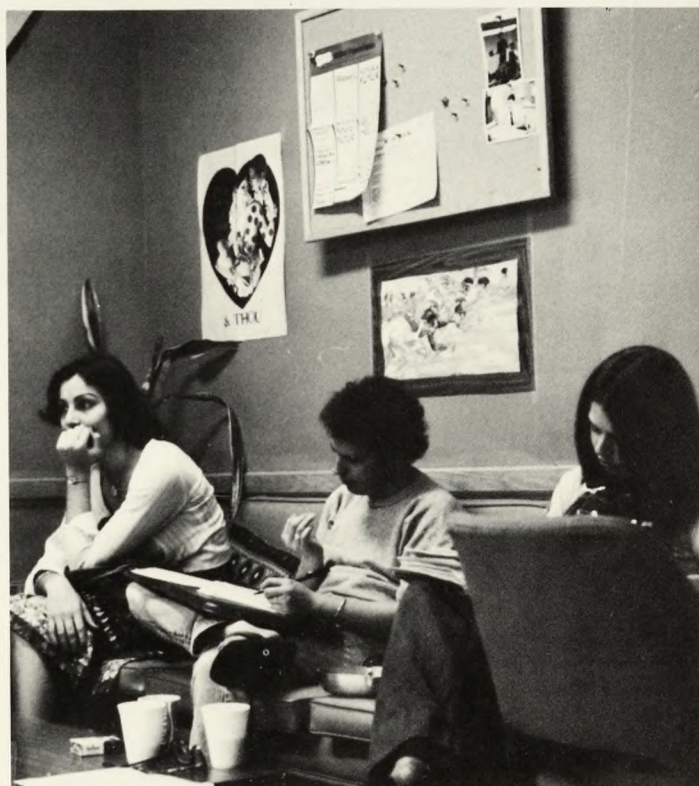

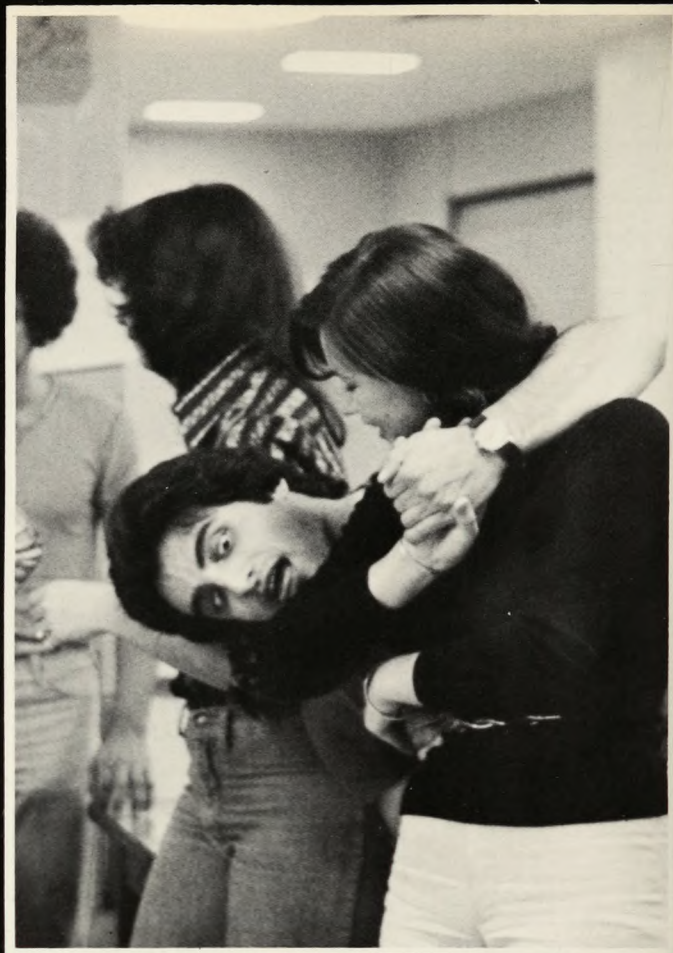

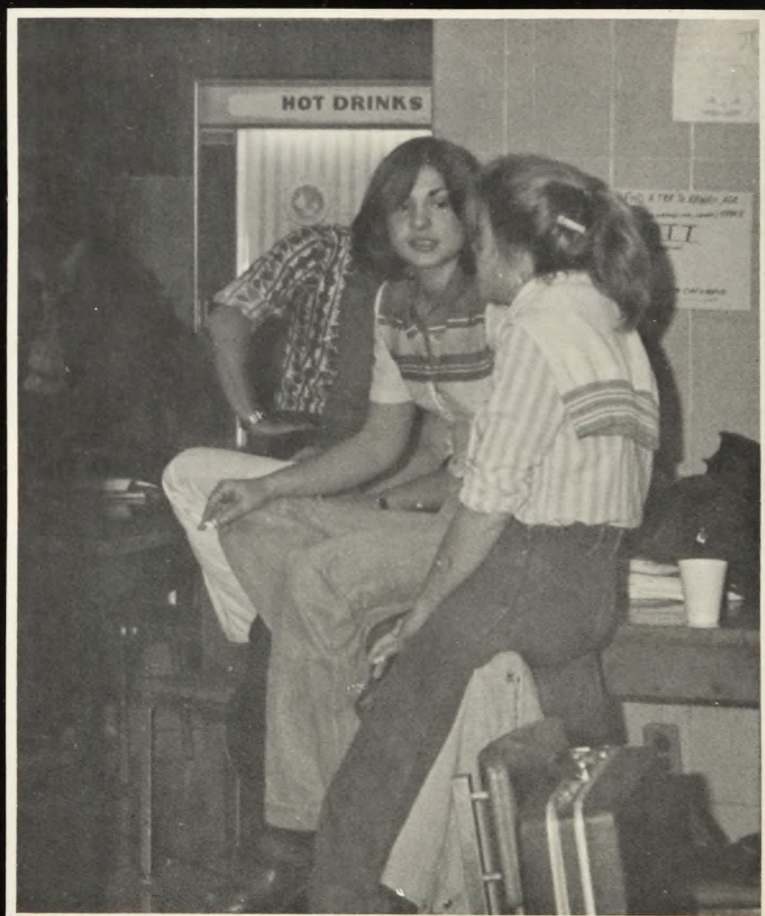

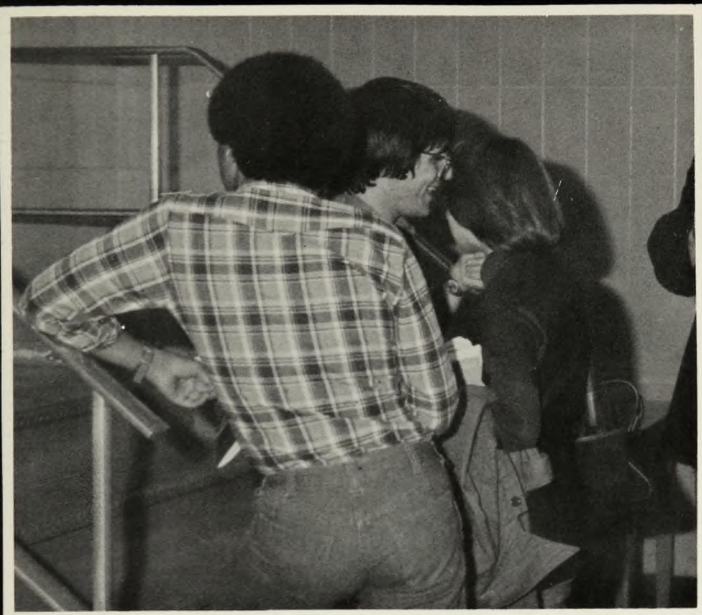

... and then what did she do?"

"Bet you can't eat just one!!"

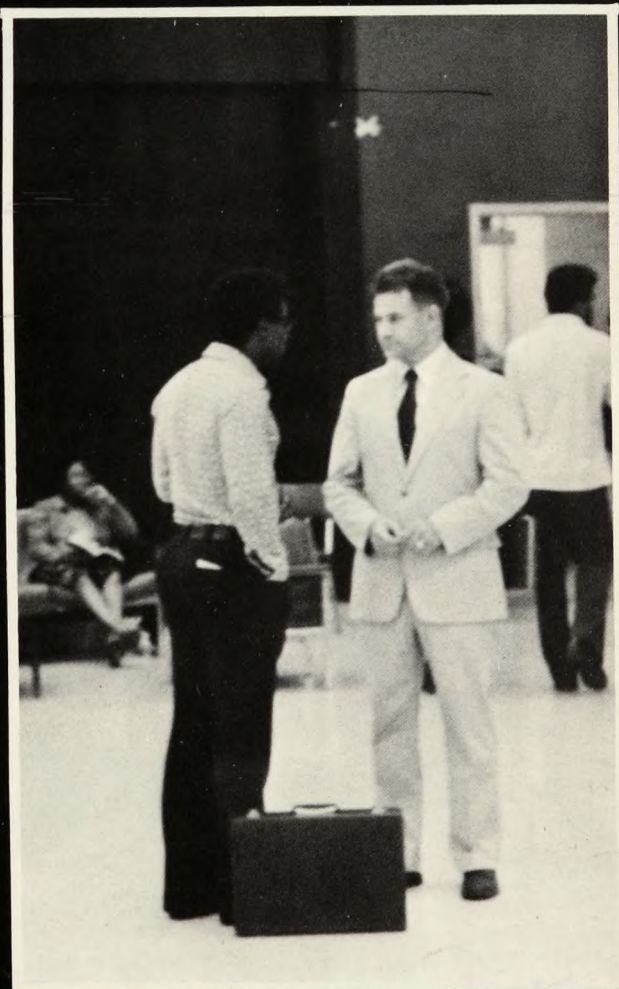

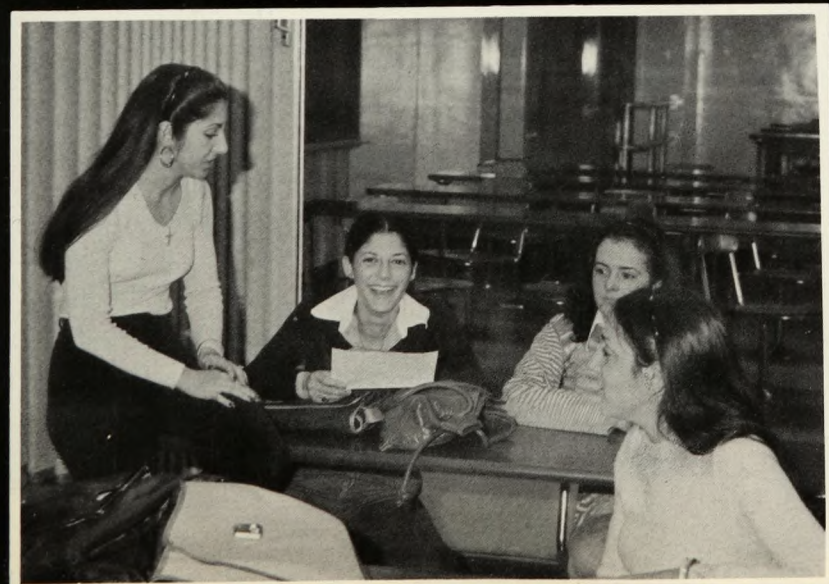

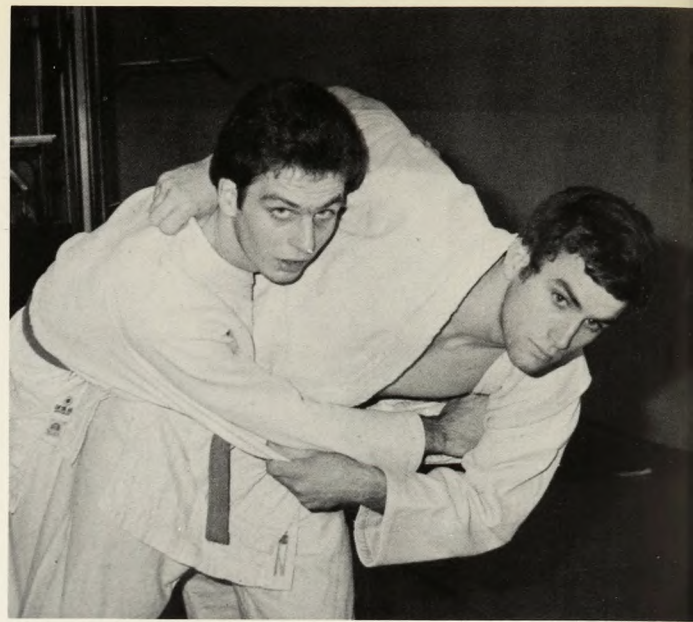

Your eyes are getting heavier, you're getting sleepy, sleepier, sleepier ...

The Not Ready For Prime Time Players.

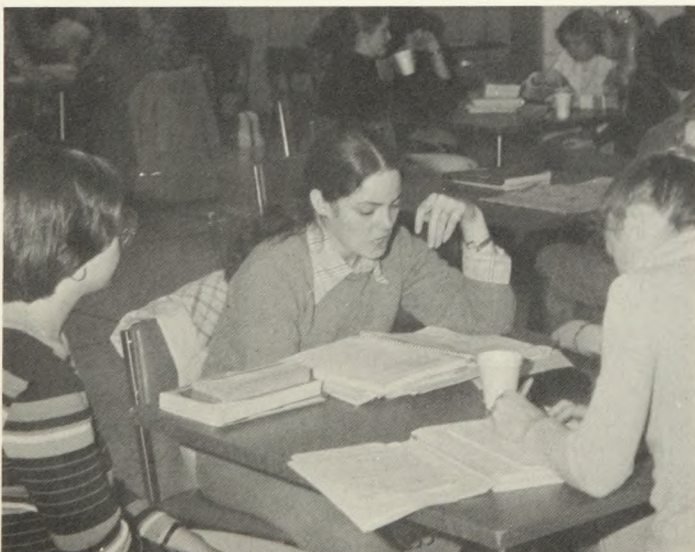

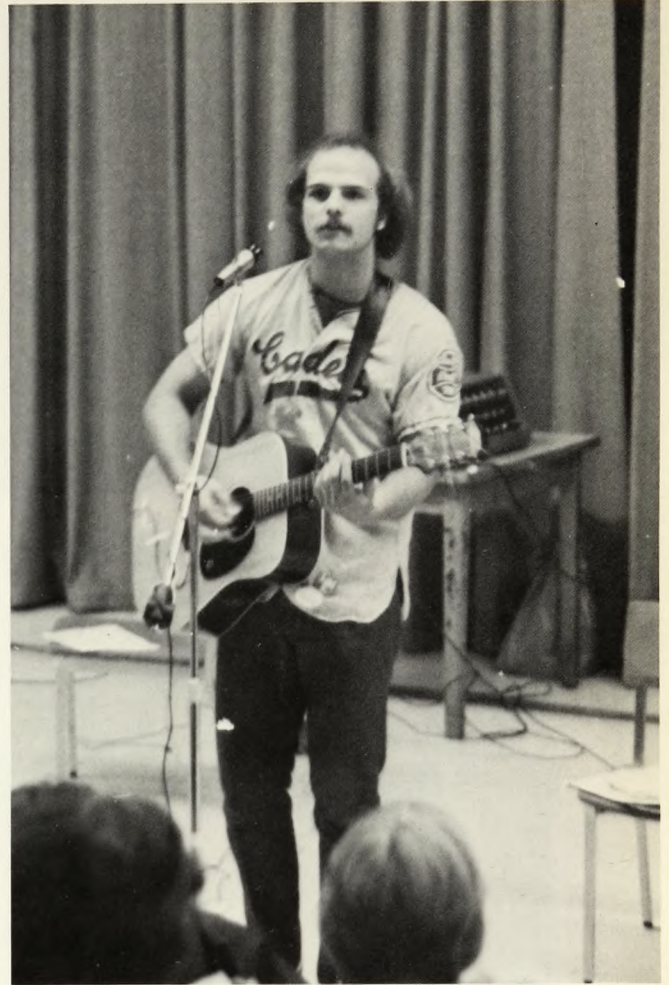

"Well I came to St. Francis to get ahead."

"When the camera's this close up my teeth need to be their whitest."

Charlie's Angels

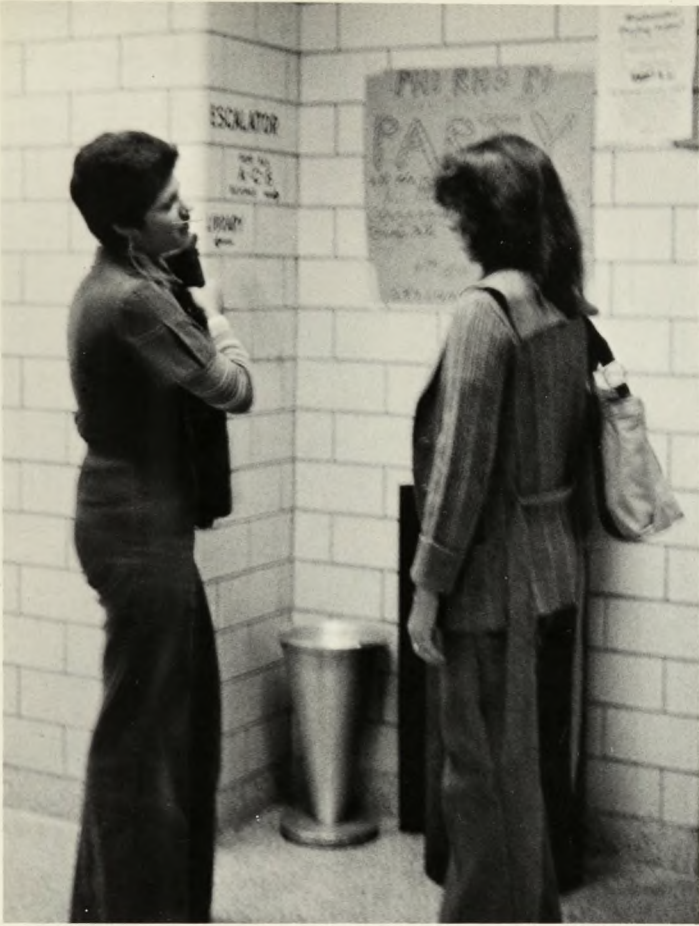

"Kiss Ma Grits!"

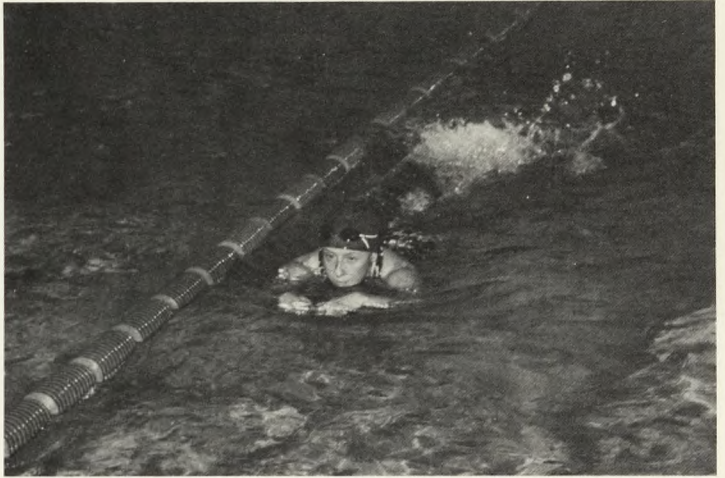

The hostess with the mostest.

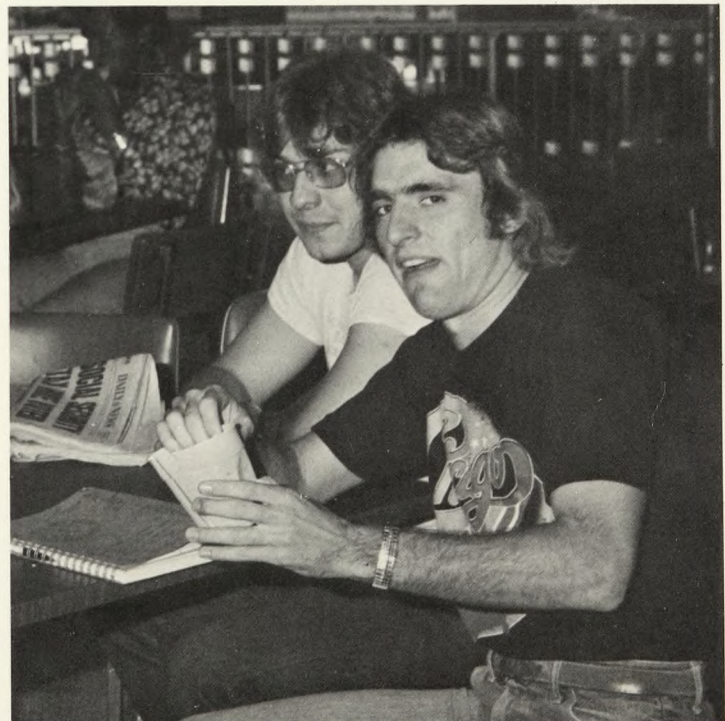

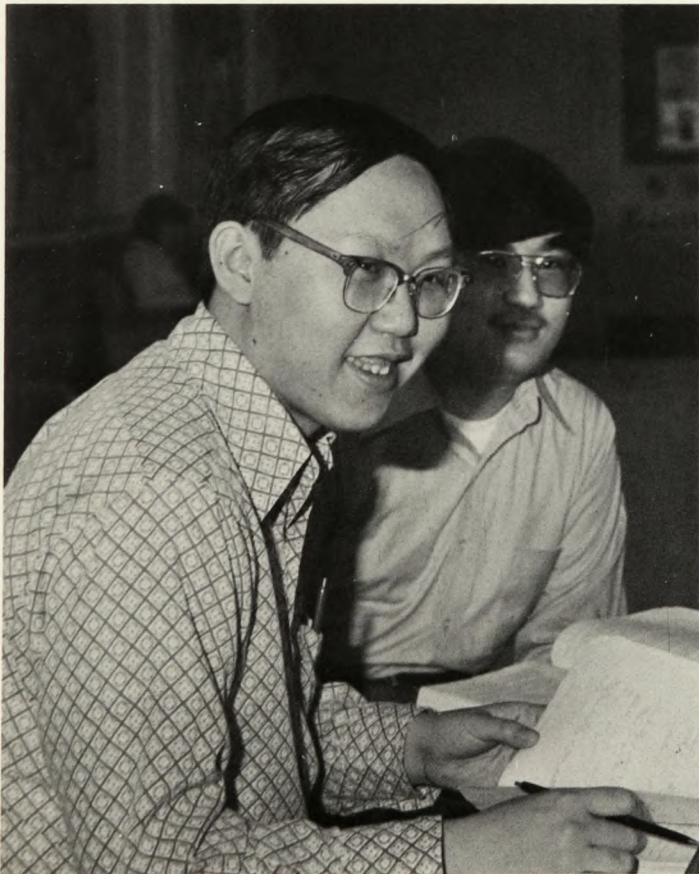

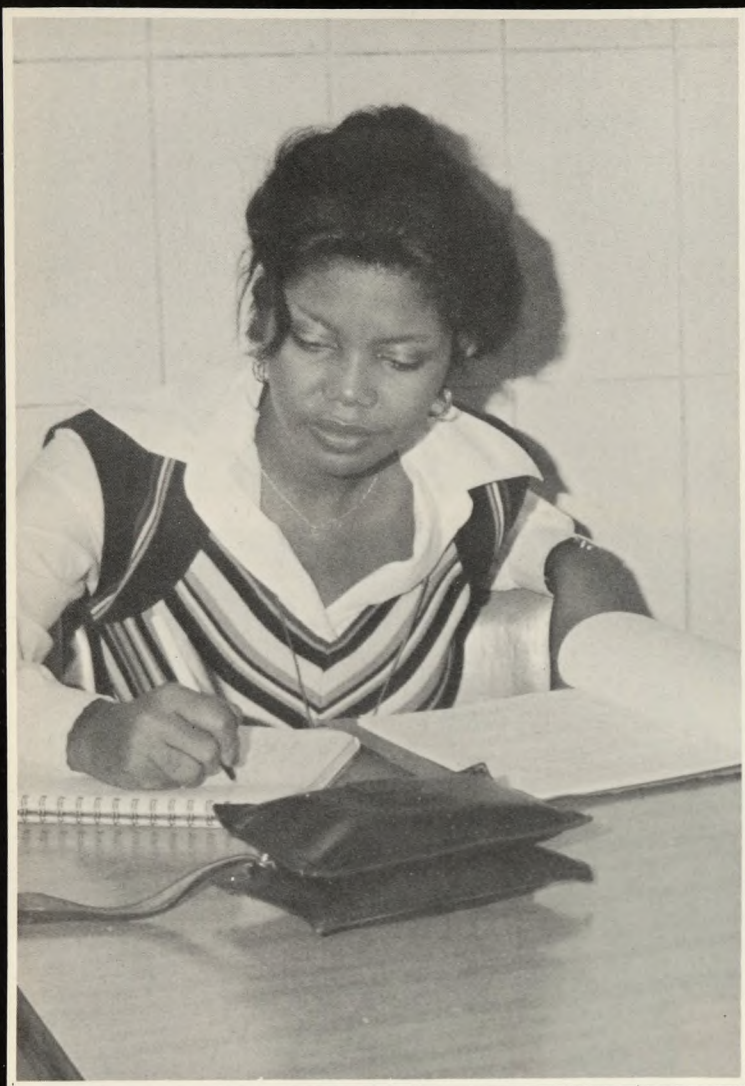

"I don't want to hear another word about it, the walls are coming down."

"Is this how Esther Williams got her start?"

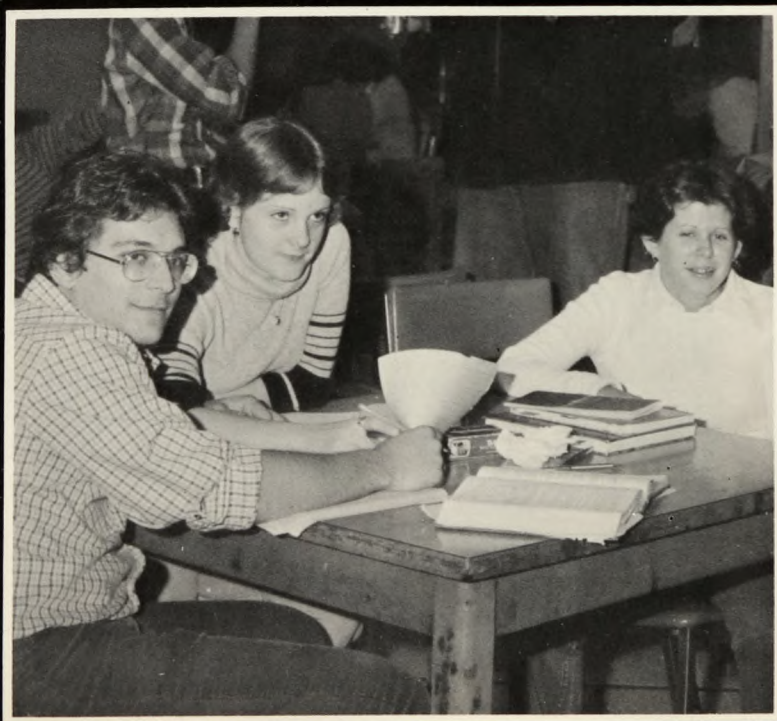

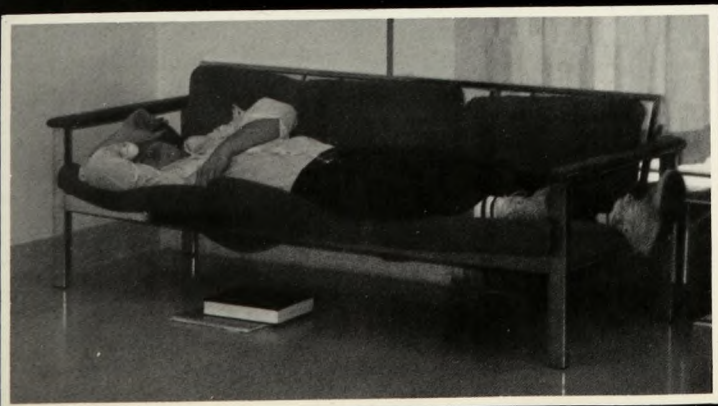

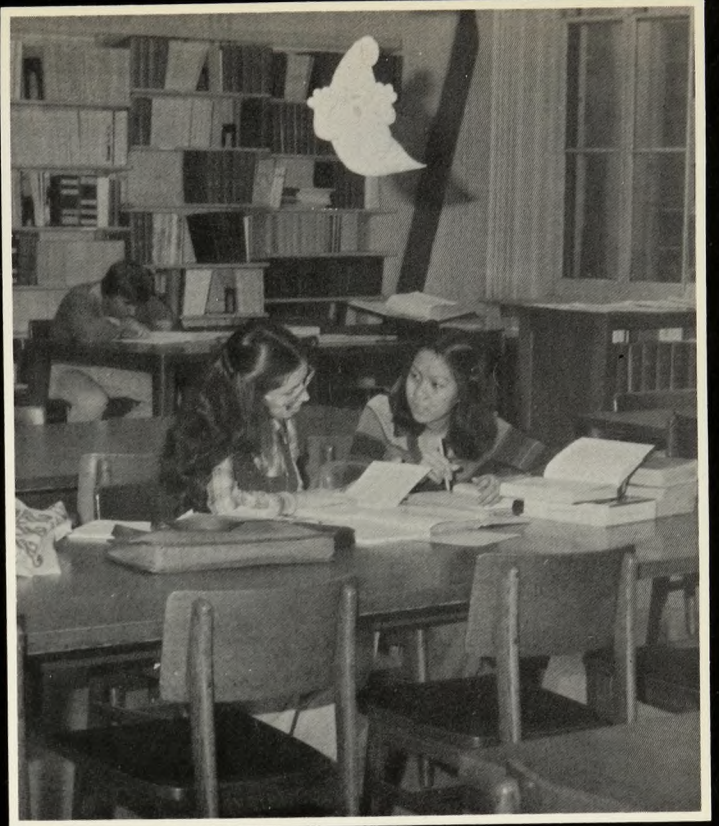

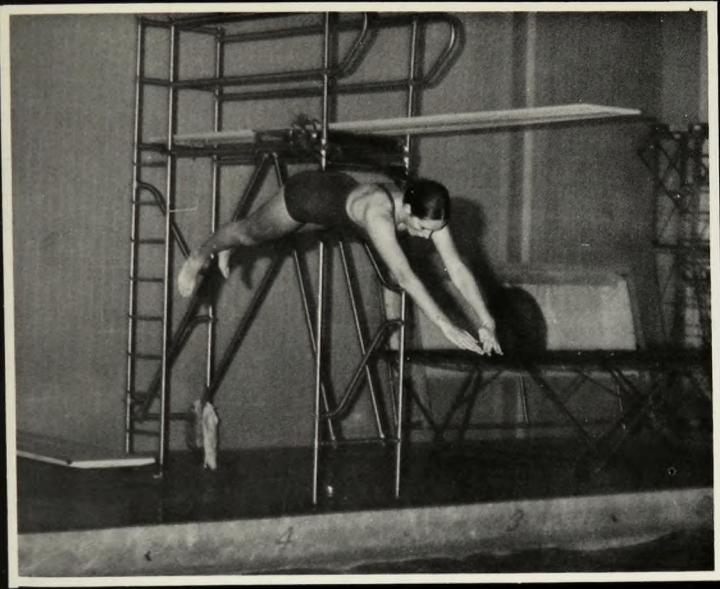

"But I won't tell you again, you can't use a whip on your students."

"What's a matter, Jane, have a rough night?"

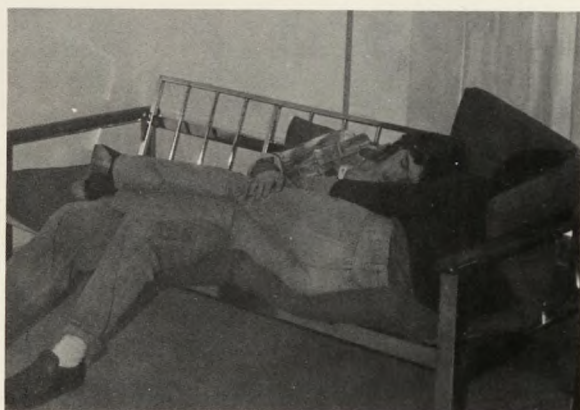

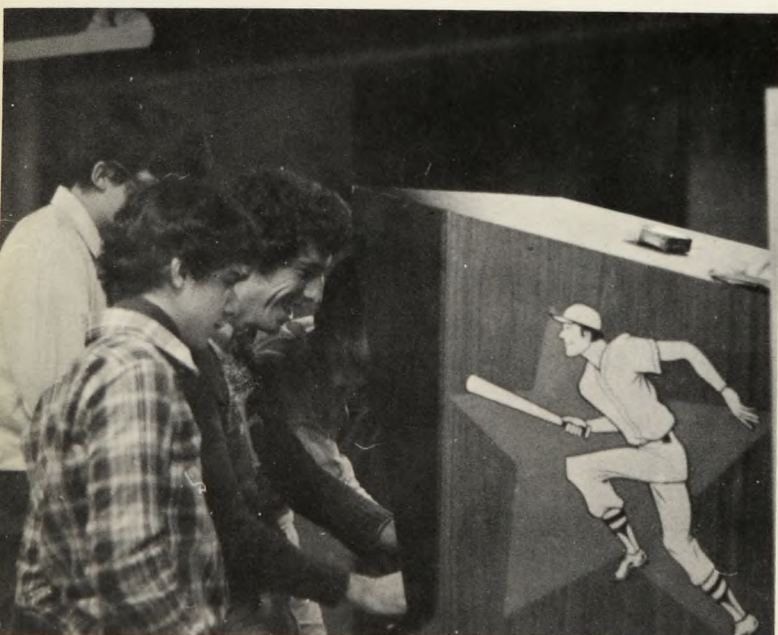

"You mean there really is no Santa Claus."

Nice work if you can get it . . .

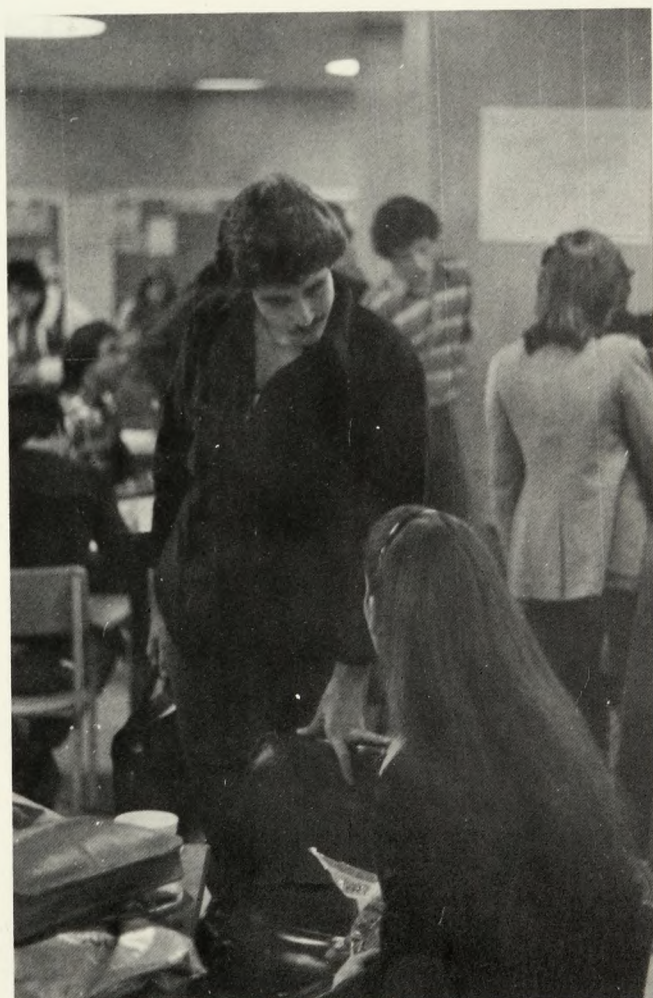

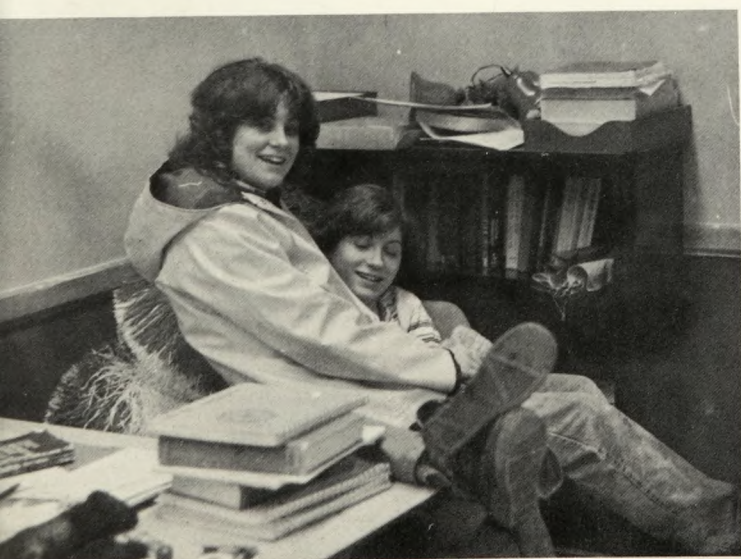

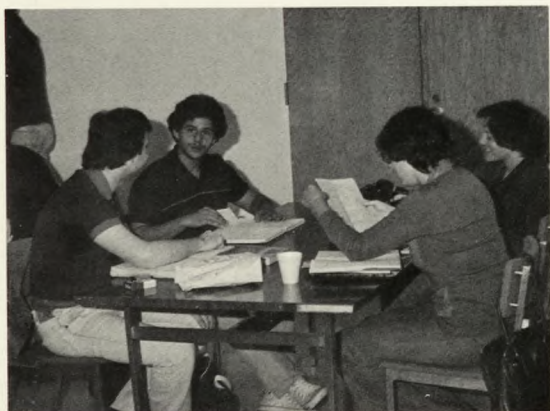

Just because you're paranoid, doesn't mean they're not out to get you.

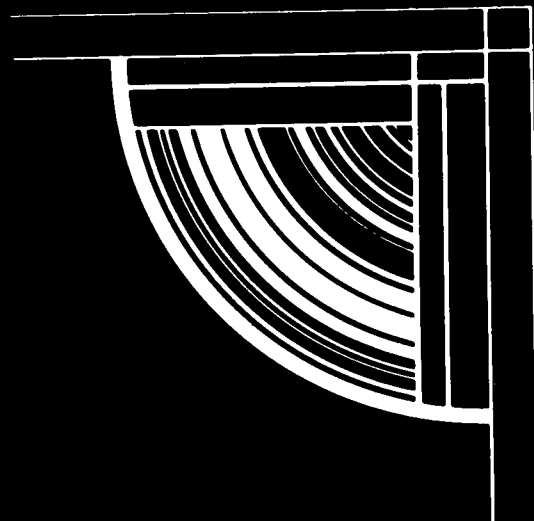

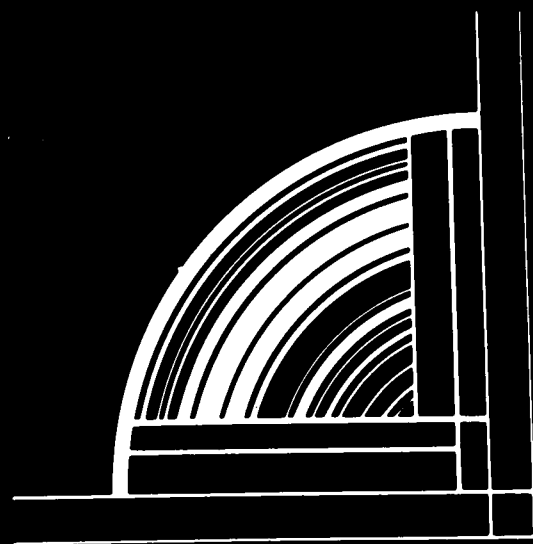

Eight ball at the Registrar's office.
